Setting Children Up for Success

Providing Safe, Stable, Nurturing Relationships and Environments

Is your goal as a parent/caregiver/educator/mentor to provide the best opportunities for children? Whether you feel you are already a champion for children or someone that is striving to be a great adult in a supportive role, this workshop will give you the unique opportunity to achieve GREATNESS for your children, your classroom, your family, yourself, and your workplace.

This approach is extremely effective in working with the intense and difficult children.

It is also effective with the less intense child as it works for ALL children.

Want to understand why conventional methods of parenting, therapy, and teaching often fail with intense children, despite the best of intentions? The trainers will teach the Three Stands™ and provide four tools to shift a challenging child to using their unique intensity in successful ways, even if the child is diagnosed with ADHD, ODD or exhibits other difficult behavior. Participants will learn to use The Nurtured Heart Approach to build Inner Wealth™ in children and create a rich social-emotional environment.

Attend a two night gathering 6-9PM and learn a proven approach that captivates the positives in all settings and situations. Do you want to feel energized and at peace with your child and others? Learning the Three Stands™ and four tools of Nurtured Heart® is transforming and creates daily successes for you and others. Learn how to build Inner Wealth™ with Trainers Gaylene Vickers and Shelley Smith.

The Nurtured Heart Approach® is proven to create transformation through energy and language that is intentional and recognizes and builds upon success. More information for professionals, parents, caregivers, educators, and funders available at <https://childrensuccessfoundation.com/>

NHA also applies to adult relationships, is utilized as workplace improvement, and is successful in schools, daycares, and other settings. Are you ready for a path to SUCCESS? Come explore the GREATNESS!

This Two Night EVENT is FREE and includes workbooks "*Transforming the Difficult Child Workbook: An Interactive Guide to The Nurtured Heart Approach*" by Howard Glasser
